

## Jesus Our Portion: A devotional for those dealing with PTSD or dissociative disorders from childhood abuse

This devotional is designed for women who have experienced childhood abuse. It includes information concerning the long-term effects of abuse, including Post-Traumatic Stress Disorder (PTSD) and Dissociative Disorders, but also offers hope in revealing God's true character. Individuals who have experienced abuse from a caregiver often have a skewed view of God. This book reveals His love for them and His desire to heal them; it also encourages them to know that they have a voice and are heard by the Father.
