

Great British Walks: 100 Unique Walks Through Our Most Stunning Countryside

A practical guidebook featuring a range of outings, from gentle strolls through peaceful scenery to more challenging journeys to the very heart of the great British wilderness. Combining insightful and descriptive writing about the British countryside with easy-to-follow practical information and clear, detailed mapping, this guide will inspire travelers to explore some of the most striking areas that the nation has to offer. The 100 walks are spread across varying terrain and cover regions across the country, from the Peak District and Lake District in the Heart of England to the highlands of Scotland and the rolling hills of the South East. This compact guide offers the tried-and-tested knowledge of the Countryfile Magazine team providing detailed descriptions of routes and levels of difficulty, comprehensive Ordnance Survey mapping, and practical information to help travelers plan their trips.
