

Hlingit Word Encyclopedia: The Origin of Copper (Book & CD) (Mixed media product) - Common

The Hlingit Word Encyclopedia is a book for learning the Native American language, specifically Hlingit (Tlingit). By reading the myth about the origin of copper, and looking up words and word particles in the self-contained dictionary, learners can absorb grammar while enjoying a traditional tale. It is illustrated, suitable for teen readers and older, and can be used for teaching younger readers...
