The book contains complete details about off the grid lifestyle, and after reading it, you can easily take a decision either this lifestyle is good for you or not. You can learn to live independently without any reliance on the national sources. BOOK #2: Off Grid Living: 33 Lessons on How to Live an Independent and Stress Free Life off the Grid In this book I will discuss many different ways to live off of the grid as it were. I will talk about the mindset that you will need to have as well as give you a step by step guide that will teach you how to get food, water, shelter, medicine and the other necessities of life that we never really think of when we have these visions and dreams of living a care free off the grid lifestyle. BOOK #3: Off Grid Living: 30 Outstanding Lessons on How To Generate Your Own Energy and Water Supply and Successfully Live off the Grid For many, living off the grid is a romantic idea rather than a serious one. For others, its the exact opposite. Living off the grid is a serious way of living that should not be taken for granted. People who live off the grid do so for different reasons. They may be concerned about an inevitable disaster thats going to force everyone to live off the grid anyway. Or they may just enjoy the life of living simply without dependence on an exterior source. BOOK #4: Survival Gear: 40 Awesome Items and Survival Tips to Help You Prepare Your Bug Out Bag. Learn How to Improve Your Disaster Preparedness Plan An afternoon stroll into the wilderness can all too soon turn into a survival situation. Just a twist of your

ankle, bruising to your ribs or getting lost is enough to see you stranded. The back trail looks unfamiliar; the track ahead unknown, with the dark beginning to fall, panic sets in. BOOK #5: Survival Gear: Best Emergency Essentials Guide With Useful Survival Tools and Important Survival Tips The wilderness can be a scary and daunting place particularly if you are lost, your natural instinct will be to panic however even common sense should tell you that panicking will just make the situation worse. This book will see you armed with lots of information on how to keep a positive mental attitude and the importance of this even if everyone else around you is panicking, hungry, scared or just fed up and cold. BOOK #6: Bushcraft: 25 Incredible Tips and Tricks You Need to Know About Bushcraft for Absolute Beginners Then you need to learn bushcraft, and this is what this book is here for. With Bushcraft: 25 Incredible Tips and Tricks You Need to Know about Bushcraft for Absolute Beginners you will learn all the essential skills you will need to enjoy the wilderness with no danger to yourself and your companions, including: How to plan your journey How to choose the best kit for you How to look after your kit How to avoid danger Where to bed down with no risks How to supplement your diet and much, much more!
