

## 1821 Land Lottery of Georgia

The original 1973 edition was arranged alphabetically by counties and then alphabetically by surname, making it extremely difficult to use when searching a given individual or surname. We have completely revised this book, arranging all persons listed in alphabetical order by surname, making this book now much easier to use. This Lottery created 5 new counties of which they are: Dooley, Fayette, Henry, Houston, and Moore. This book is arranged in alphabetical order, containing approximately 15,000 names.
