

## 21st Century Wicca: A Young Witches Guide to Living the Magical Life (Citadel Library of the Mystic Arts)

Written by a young witch in her mid-twenties, this book provides a refreshingly modern approach to Wicca craft and practice. Chapters cover spells, sabbats, initiations, psychic abilities, everyday magic, the effects of Wicca on relationships with others, being a teenage witch, and much more. A series of exercises designed to both teach and accustom the reader to the ways of witchcraft is also included.
