

Becoming a Project Management Professional: Common Mistakes to Avoid

Preparing for the prestigious PMP exam is a journey and could be one of the most important decisions in your career. Getting the information on how to achieve this also seem to be a tedious task. I have compiled the necessary information to guide you in attaining the PMP credential. This book will help to enlighten you on the requisite steps you should take to obtain that goal! I will share with you a few terms, a simple rule and the condition you need to ensure you pass this exam. Passing the PMP exam is not a piece of cake but with preparation you can achieve success. By failing to prepare, you are preparing to fail. ? Benjamin Franklin
