

50 Essential Crystals And Their Healing Properties: A Beginners Guide To The Essentials (How To Develop Spiritual Practices Series)

If you are interested in discovering more about crystals and how you can use them to improve your life then this is for you. You will read about the properties of 50 essential crystals and their healing properties in the following pages and discover information about how you can use them to help relieve ailments or improve your spiritual connections in your everyday life. This is not an in-depth book, nor is it the most complicated book on crystals; it is designed to give you a brief introduction to life with crystals in a way that is simple and easy to understand. Its true there are a lot of books around on crystals, and many of them have hundreds of pages, but when you are just starting out this can seem very complex and overwhelming. That is why I have written a series of small books aimed at the beginner to give enough insight to enable you to get to grips with it and then put that knowledge into practice.
