

CREATIVE NUMEROLOGY YEAR BOOK 2: your yearly, monthly, weekly, & daily guide to the 2 YEAR CYCLE

YOUR JOURNEY THROUGH THE CYCLES OF TIME: Numbers are a natural occurrence which thread their way through every aspect of our lives. Based on your own personal numbers (your date of birth), find out how they are affecting you, personally, each year. There is a Creative Numerology Year Book for each of the 9 yearly cycles. Each collectible and reusable Year Book describes the nature of your current year, and provides a full 12 months of stunningly accurate and inspirational monthly, weekly, and daily forecasts. TO CALCULATE YOUR YEARLY NUMBER, simply add the numbers of your birthday to the numbers of the current year. EXAMPLE: your birthday is December 26th and the year is 2015. Add: $1 + 2 + 2 + 6 + 2 + 0 + 1 + 5 = 19$. Keep adding until you arrive at a single digit. $1 + 9 = 10$. And $1 + 0 = 1$. In this example, the yearly cycle number is 1.
