

7 Ways of Teaching the Bible to Adults: Using Our Multiple Intelligences to Build Faith

This book shows teachers of adults how to use styles of learning to enhance the students experience and enrich their own teaching. A chapter is devoted to each of the seven styles: verbal, independent, social, visual, physical, musical and logical. Each chapter includes: suggestions for blending the style into lessons, questions to help teachers determine their own preferences, a lesson focusing on the learning style, and a prayer demonstrating the style. A bibliography, appendices and a self-discovery sheet are included. Appropriate for group or individual study and teacher training.
