

Advanced Wiccan Spirituality, Volume 1: Revitalising the Roots and Foundations

The spiritual and esoteric traditions that inspired the original founders of Wicca. Here is historical, philosophical proof that this modern form of witchcraft is not just about spells and potions, but has great spiritual depth and is based on a strong ethical foundation. This incomparable resource utilizes models such as the Tree of Life and the Tarot, along with many practical exercises, to guide the reader through a journey of self-discovery about the development of Wiccan traditions, including information on * Jungian psychology * the seven planes * healing methods * sexual energy * advanced circle casting techniques * a radical revision of the Pagan Wheel of The Year
