

# My Life - My Way: An Incredible life as a Surgeon, Composer, Muscian, Inventor, Explorer, Entrepreneur, Patriot and Humanitarian,

An amazing read of a man who came from the ghettos of Buffalo, New York, worked and paid his way through college during the depression playing piano and composing music for big bands, became a highly skilled Maxillofacial Surgeon, served his country in World War II, became an Explorer, an Inventor, Corporate Executive, Entrepreneur, Patriot and Humanitarian. Dr. D'Angelo has led a fascinating life in his Ninety-four years, and hes writing another book now.
