

Blow (Lorimer SideStreets)

As far as Mary, a.k.a. Meringue, can tell, the only good thing about moving from Vancouver to Red Deer following her parents divorce is that she was able to get a head-start on earning her Learners Permit. Now shes sixteen, she can drive on her own. When her friend Jeff asks her to cover his pizza route, Meringue jumps at the chance to cruise around town on her mothers scooter. Little does she know that Jeff has been using his fathers pizza shop as a cover-up for his small-scale drug deals. By the time Meringue figures out whats going on, a bigger drug dealer is moving in on Jeffs business -- and on her. Meringue is scared. How can she get herself out without snitching?[Fry reading level - 3.0
