

A Carolina Christmas

A Carolina Christmas, an old Carole Marsh favorite in the Tarheel and Sandlapper states, but you only have to love sand and seashells to want this book for your own! Readers of all ages will enjoy this charming hodgepodge of stories, poetry, recipes, and surprising Christmas party crafts from the Victorian era. Think Mr. Vanderbilts Biltmore House meets Ocracoke cottage at Old Salem on a snowy, yule log, cider and storytelling afternoon. Teachers will love to share with students; Grammy with grandkids; you with your ownself; or present someone you love with this wonderful gift idea for kids of all ages!
