

## A Creepy Countdown

What do lumpy toads, hooting owls, furry bats, skinny witches, ghastly ghosts, yowling cats, and brave mice have in common? They all parade through the spine-tingling pages of Charlotte Huck's imaginative countdown and revel in an especially eerie night! But the mice get the last Boo (or maybe young readers do) in this enchanting book that goes from one to ten and back again, and dazzles with its ticklish scratchboard pictures. A positively creepy-crawly read-aloud for Halloween, storytime, and anytime!
