

# A Learned Discourse Of Justification, Works, And How The Foundation Of Faith Is Overthrown (With Active Table of Contents)

ABOUT THE AUTHOR: Richard Hooker was an Anglican priest and an influential theologian. Hooker's emphases on reason, tolerance and the value of tradition came to exert a lasting influence on the development of the Church of England. In retrospect he has been taken (with Thomas Cranmer and Matthew Parker) as a founder of Anglicanism in its theological thought.
