

A Prophecy of Love: Gods Design for Loving Relationships

We were given life to love God and others. Born in nature and to a lost world with a determined enemy, few ever learn how to love. Be still. Know Him who is love and wants to become love in you. Living is a passage in time through a sea of relationships without a map. Storms of confusion and conflict throw us off course. Most will be lost in the sea. We cannot find our way alone. The Word of God, the abiding Jesus and the Holy Spirit are with us every moment, revealing and guiding us to love the way God does. By way of allegory, a metaphor about wild Maine blueberries, a testimony and essay, the essential form of Gods love is illuminated in A Prophecy of Love to encourage and inspire you. Partake of His greatest blessing and become a light for Him in your life.
