

## A Time for Dancing

Samantha and Juliana. Sam and Jules -- they've been best friends forever. Now, in the summer before their senior year, they're ready for whatever's coming. College? Professional dance careers? They'll share the triumphs and face the tears together. But neither of them are prepared for what does happen next. Jules is diagnosed with cancer. And there is no cure. An unforgettable debut by a writer to watch. The novel is beautifully composed, with dialogue that never falters, characters who are fully realized, and plotting to make readers turn the pages through their tears. -- Kirkus Reviews, pointer review
