Complete summary of Quint Studer's book: Results that Last: Hardwiring Behaviors that Will Take Your Company to the Top. This summary of the ideas from Quint Studer's book Results that Last investigates what generates genuinely exceptional results. The usual list of suspects really doesn't make sense: firstly, outstanding products or services are helpful but competitors can and do clone these easily; secondly, employees may be good, even very good, but people leave organizations every day; thirdly, individual leaders also come and go. In his book, the author states that the real key to results is leadership that is consistently excellent. This summary will teach you how to implement this into your business by standardizing the right leadership practices that will improve organizational performance across the board. Added-value of this summary: Save time Understand key concepts Expand your knowledge To learn more, read Results that Last and discover the secret to generating real growth and improving performance.
