

## Undercover Wiseguy (Accidental Mobster Book 2)

Having survived his first brush of death with the Mafia, Danny Esposito's life seems to be settling into a steady routine until a figure from his past sets him back on a collision course with the local mob. With disaster threatening him at every turn, Danny makes a dangerous decision to go undercover, hoping to find out whom he can trust. While Danny struggles to keep his girlfriend, the FBI, and his godfather at arms length, he and his friends discover that the new mob leadership is more ruthless than ever and that Danny's own family is on their hit list. With the loyalty of Danny's godfather, Gino, unclear, and law enforcement closing in, Danny must face his past and his fears to stay one step ahead of those who would hurt the people he loves the most.
