

# Niggas Dont Wanna Hear It/Gods Message To Black America

The true God YAHWEH has looked down on his chosen people and he does not like what he has seen. He see his Black Americans who are the chosen people being killed at an alarming rate by the Black Nigga. YAHWEH sees his once African kings and queens now pimps and prostitutes for the dollar. YAHWEH says that unless the nigga changes their wicked ways they will be back in chains. YAHWEH said in the last days before he returns the world will be as the days of Moses. BUT, NIGGAS DONT WANNA HEAR IT.
