

Alien Monk 2012 : Skulls of the Apocalypse

THIS BOOK IS THE ONLY BOOK OF REVELATIONS OF THE APOCALYPTIC VISION OF THE TWENTY FIRST CENTURY. IT IS WRITTEN BY RONALD RAYNER, THE GREATEST MYSTIC AND PROPHET SINCE NOSTRADAMUS. Ronald Rayner, a prolific Author and Documentary Maker, has proven by the one hundred percent accuracy of his predictions in his previous books in the Alien Monk series, that he is the world's greatest Mystic and Prophet since Nostradamus. In this book, Ronald Rayner has written the only Apocalyptic Vision since that written in the Bible by St John the Divine nearly two thousand years ago. Mystic and Prophet, Ronald Rayner, uses his extraordinary powers of Visual Scrying, Divine Vision, and the help of Alien Monk, a Tibetan Priest, to predict the shape and form of the Catastrophes waiting out there in Future Time that will trigger Death to stalk Planet Earth. In his previous books Ronald Rayner enjoys a record of 100% accuracy for his Predictions. In this book Ronald Rayner reveals how and why the year 2012 is the causal trigger for the beginning of the devastation that will be wrought by the Seven Skulls of the Apocalypse across Planet Earth, as seen in his Divine Visions. Ronald Rayner believes that reading this book will prepare you for the real future lying out there in Future Time, which is not the story told by governments or government controlled broadcast media. Reading this book may save your very life. The coming Apocalypse seen by Ronald Rayner in his Visual Scrying is not a perhaps, or maybe at some time. The features of his Seven Skulls of the Apocalypse are already locked in, and on their way.
