

The Baptismal, Marriage, and Burial Registers of the Cathedral Church of Christ and Blessed Mary the Virgin at Durham, 1609-1896, Vol. 23 (Classic Reprint)

This Volume contains a complete transcript of the Registers of Durham Cathedral from the first entry on the 23rd of September 1609 to the end of the year 1896. They were transcribed for the Harleian Society as far as the year 1877 by the late Captain Edward A. White, F.S.A. (the permission of the Dean and Chapter having been obtained in November 1876), and his leisure time for several years was occupied in annotating the numerous entries. The publication was, however, deferred from different causes; and ill-health, and eventually the lamented death, of Captain White prevented the completion of the work. His Sister, Miss Ella White, however, most kindly handed over the manuscript to the Society, and, by the desire of the Council, I have undertaken the completion of the Work. The manuscripts contained a complete and accurate transcript of the Register and a book of Notes to the various entries. By the help of Canon Geenwell, the whole of the proofs of the Register has been compared with the original, and the Members of the Society are deeply indebted to him for the generous assistance he has thus given to the Work. The Notes have been transcribed from Captain White's manuscripts, except in the cases where he referred to certain pedigrees which he had compiled, in which case the notes thus referred to have been abstracted from the pedigrees by the Editor, and acknowledged accordingly. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
