

Sacramento Valley Fishing Paradise

The Sacramento Valley has superb fishing for a great variety of fish?sturgeon, salmon, bass, steelhead, crappie, bluegill, and more. This detailed guide covers the Sacramento River and its tributaries and lakes up to an elevation of 2000 feet above sea level, and will tell you when, where and how to catch each major game fish throughout the valley?north, south, and central. Rychnovsky also covers: historical points of interest, best fishing by month, best fishing by location and species, and much, much more. Ray has fished these waters for decades; now you can learn from his vast experience.
