

Ancient Tarot of Marseilles

An important deck for any student, collector, or enthusiast, this reproduction of a historic Marseilles deck conveys a sense of antiquity and mystery. The Ancient Tarots of Marseilles is a reproduction of a deck originally created in 1760 by Nicolas Conver. No additions were made to the cards original design. Convers deck contains two unusual details: the Two of Coins contains the artists name and the year the cards were drawn, and the artist added his name and the word France to the Page of Coins.
