

THE SOLUTION to Peace in the Middle East

It is certainly within the parameters of Gods Divine grace and Wisdom that both brothers come out winners in this conflict. Wisdom does not pick favorites. At the heart of the Palestinians struggles are sensitive triggers that, when activated, have resulted in explosive responses throughout history. The emotional grievances that overwhelm their souls are camouflaged by the humiliation and hardships they are forced to endure on a daily basis. The God of Abraham has provided a Solution to the conflict that will not only resolve the issue of how the Palestinians are perceived in the world; but also establishes their standing as children of Abraham. The Wisdom of God will manifest itself in the following ways: Palestinians and Israelis will not HAVE TO surrender one inch of land to the other; will not HAVE TO divide the Holy City of Jerusalem; nor will they HAVE TO permit the Holy City to become an international city governed by foreign nations.
