

Ascended Masters of Color - Ascended Beings of Light: The Origin and Mission of People of Color

This is an excellent book about Ascended Beings of Color. It goes into the fact that Ascended Beings of the African/Black Race actually do exist. It talks about some of the Ascended Masters that many people thought were of a different race like Jesus for instance who speaks about his true race origin when he walked the earth as Jesus! It goes into the origin and the mission of the African/Black race beings one earth. It gives a great deal of information and enlightenment on a wonderful blessed people who have a mission and have given amazing contributions to humanity. You will find powerful provocative information in this book that is sure to raise eyebrows and get everyone's attention on a subject of great importance. It is a book written in love and states the fact as they have been presented by the Masters, angels and extra-terrestrials themselves. The book is a love gift to all of humanity and is a book for all races of humanity. It is a history of a down trodden people that have been revealed that is little known if at all on earth. This book is about teaching brotherhood and sisterhood and brings forward the message of the first African ascended masters by the name of Afra! This book truly clears up so much confusion based around this subject. You can read some of the readers comments on amazon .com under the book title and or visit our website at mushabaforce.com Some of the various entities who contributed to this work of great divine love for humanity is: Ascended Masters Afra, Archangel Michael, Sananda(Jesus, The Council of Light, Djwhal Khul, Adama high priest of Telos, a group of beings called The Reconnections, Ascended Master Kuthumi, Ascended Master Sophia. It answers some very tough questions and speaks about a race of extra-terrestrials that are all black skinned beings who are of divine love and oneness. It speaks about the experiments and their

involvement in the evolution of humanity and the importance of what they done. This book addresses information about Isis, the great sphinx, the Lion Head, Ascended being El Moriya, Archangel Gabriel, and a chapter contributed by an author by the name of Mark Charlton Davis who is a very inspiring author who has several books published. It address the affect that this black white syndrome has had on both races of people and how to change that which basicly will be done through the youth of the world who is born very different from most of us. They certainly have their own agenda. It goes into a very wonderful detail about many subjects that is truly needed by all of humanity to bring understanding and awareness to all people and to stop this racist nonsense. It also talks about how Aids in Africa can be cured. This is a book of myriad information that is vital to the evolution and understanding of humanity. It is raw and t is truth and it speaks directly to what need to be addressed in a clear, historical way that is not known on earth.
