

Astrology: The Ultimate Comprehensive Guide on Reading Horoscope Symbols and Zodiac Signs for Understanding Relationships, Personality, and Wealth (Astrology ... Success to Your Life and Become Happier!)

Unlock Your Inner Self and Achieve Lifelong Success! Astrology is a wonderfully fascinating and mysterious science that allows us a greater insight into the genuine truths of this world, ourselves and those around us. However, most of us know very little about what Astrology is, where it came from and how it can be used and practiced today. Are you one of those people? Do you long to know more about what Astrology really means and how it can be used? This book is here to teach you and show you the way to Astrology. We'll talk through the very basics, making sure you have the perfectly solid foundation you need in order to really understand Astrology so you can begin practicing it. You can expect to gain 10 things by downloading and reading this book, and putting into practice what it teaches. The 10 things you're about to learn are: What Astrology really means, The etymology of the word astrology, Where Astrology came from, How Astrology was developed, What the difference is between horoscopes and the zodiac, That there are 12 zodiac signs that all mean different things, That we each have different personalities relating to the 12 zodiac signs, How you can understand your relationships with people of the same or other zodiac signs, That the zodiac signs are grouped into four elements that tell us more about our personalities, That understanding Astrology brings a wealth of insight into our lives, Astrology helps us to understand who we are and how we relate to those around us. Modern-day, Western Astrology is largely focused on relationships, so we're taking you through the 78 relationship options between each of the zodiac signs and talking about how compatible each of those relationships really is. In this book you will find: a brief history of Astrology, some information horoscopes and zodiac signs help in determining your own zodiac sign, the 78 relationships possible with all 12 zodiac

signs and how compatible they are deeper understanding of your zodiac sign in relation to the four elements of Earth, Fire, Water and Air some information on how Astrology can genuinely enrich your life We want you to really make the most of this book and get all that you can out of it. There's no time like the present, so make today the day that you start gaining an understanding of Astrology and all it can offer!
