An exciting new voice Helen Fitzgerald. Book 1 of the Sun Song Trilogy. Its the year 2089 and everything is altered. The revolutions of the early 21st century have created a world divided - between the privileged few and the native (Celtic) underclass. Sorlie is enjoying a typical carefree Privileged teenage life until it is smashed apart and he is spirited away to live with his imperious grandfather at an island penal colony. Sorlies discovery that the captives are being genetically altered triggers a chain of shocking events that reveal his grandfathers terrible secrets and, ultimately, the truth about himself.
