CRYSTAL HEALING FOR BEGINNERS 4th EDITION: Discover The Healing Power Of Crystals And Healing Stones To Heal The Human Energy Field, Relieve Stress and Experience Instant Relaxation !

Do you want a comprehensible guide on crystals? Are you curious what crystals all can do? No need to look any further ! Healing Crystals is a well-rounded introduction to the importance and use of different crystals. It takes you through the selection; the cleaning; and the entire crystal handling process. After reading this guide, you are able to tell what ailments to clear with what crystals, and what crystals to carry with you for general protection against destabilizing energies. Even as the book shows you how to live a life with minimal medication, courtesy of natural crystals, it also warns you against specific crystals that are poisonous and dangerous to your health and that of other people. You will be glad to learn too that although the facts surrounding crystals were not well known in the past, people still used them to improve their way of life, deriving mental, spiritual and physical wellbeing as a result.

In this book you will learn: What distinguishes crystals from gemstones How chakras and crystals work together to improve your health The religious point of view regarding crystals How compatible crystal healing is with psychic healing How to select your crystals and handle them How to clean and recharge your crystals Crystals that are suited for kids How to solve love and money issues using the potency and vibration frequencies of crystals The toxic crystals to avoid And much, much more..
