

20 Years Behind The Badge

Section 1: Humor on the Job In this section, I combine humorous incidences that have happened to me, officers around me, as well as, police reports filed by citizens in Indianapolis. Section 2: Humor and the police officers family A police officers family members are exposed to the every day pressures that confront the officer. In this section, I describe some of the creative ways my family has found to get and keep my attention. Section 3: Humor on the road As a national lecturer and author of law enforcement textbooks, I have been forced to travel extensively. Being very analytical, I seem to notice things that most others fail to see. This section consists of my observations and the situations that I have endured when dealing with air travel and hotel living.
