

The Bent and Broken Truth: A Pathological Analysis of Ping Fus Rags-to-Riches Stories

Ms. Ping Fu, a former member of the Chinese Communist Youth League, portrays herself in her book, Bend, Not Break: A Life in Two Worlds, as a victim of the Chinese communist regime during the Cultural Revolution and fabricated her way to the White House. She lied on her applications for federal grant applications (yes, more than once) and made up rags-to-riches stories to move many Americans readers. With the protection of her public relation team and some American media, Ms. Ping Fu, as of today, continues her stories around the world. The book, The Bent and Broken Truth: A Pathological Analysis of Ping Fus Rags-to-Riches Stories, peels off the seemingly glorious coat of a super survivor. To those who have read Bend, Not Break, this book should be an interesting read. It tells the truth behind Ms. Ping Fus book.
