

Bio-Etheric Healing: A Breakthrough in Alternative Therapies

Bio-Etheric Healing offers an effective way to communicate directly with the Etheric Body. This remarkable step-by-step guide covers the techniques and applications of Bio-Etheric Healing and tells us how to harness the healing powers of the Etheric Body. From this book you will learn: How to talk directly to your Etheric Body to help diagnose ailments; How to talk to the Etheric Body of others---even over a distance---to help heal their ailments; How to analyze and heal the Chakras; How to determine the role of Karma and Past Life Traumas in ailments and how to overcome their negative effects; How to guide the Etheric Body to help heal a wide range of illnesses.
