

Book of Enlightenment

A unique manual of spiritual insight and revelation which takes the reader beyond accepted boundaries of non-duality and enlightenment. Book of Enlightenment is the most complete exposition of the teaching of Anadi. It is a revolutionary compendium of spiritual knowledge addressed to those commencing their inner journey, as well as those who have already reached higher levels of spiritual realization. The purpose of this book is to reveal the multidimensional evolution of human consciousness from the state of ignorance to the state of wholeness. It is a book of spiritual guidance directed to uncompromising seekers of truth.
