BOOK #1: The SHTF Stockpile: 23 Items That Will Help You Remain Alive When Disaster Knocks on Your Door The events around the globe are becoming increasingly brutal and deadly. Terrorist attacks, outbreaks of fatal diseases, and outright genocide have become almost mundane, boring. The response for much of the general public has been to load up on medication to numb the senses, to just not feel anything. But at the end of the day, that's not true survival, that's putting a bandage on an amputation. Here is what you will learn after reading this book: Why Stockpile? Hunger Strikes Useful Utility Necessary Comforts Clean Up

BOOK #2: The SHTF Stockpile: What You Need on Hand to Survive Many civilizations before us have perished and disappeared, leaving remains and ruins, what if the same thing is waiting for us? One thing that might give us a significant advantage we need is the fact that we could prepare in case SHTF scenario hits the Earth. The SHTF Stockpile guide is made to help you plan your survival and get you prepared for what you will definitely need in the worst case scenario, so you and your group can survive. Here is what you will learn after reading this book: Tips and tricks on how to survive How to stash, collect, make, cook and plant your own food How to find water and how to make stockpiles of water How to survive in case you are on the move How to make shelter and other useful tips on outdoors hacks Electricity and heat SHTF life hacks you would definitely need All the things you need to survive Bug Out Plan Bug In Plan

BOOK #3: Survival 101: Everything You Need to Know For Wilderness Survival This book is your ultimate guide on everything you need to know for wilderness survival. There are two instances that may arise where you might need to survive in the wilderness. The first is if you are on a planned excursion, like a camping trip, and

the second is if you find that you are lost in an inhospitable or uninhabited area that you have no knowledge of. You will find six chapters that fully cover the following: The Survivors Character The Basics of Surviving in the Wilderness Making Common Sense Decisions Orchestrating your Rescue or Escape Building a Wilderness Survival Kit Survival Tips to Remember Getting Your FREE Bonus Download this book, and find BONUS: Your FREE Gift chapter right after the introduction or after the conclusion.
