Marketing, Networking 101 and the Business Card If you are in any business having good business cards is an essential. Without your business card you are like a gunslinger in the old Wild West without any bullets, unarmed and with no reputation. Always carry your business cards with you. It doesnt matter if you are at work or on the weekend, you never know when someone wants your card or you wish to share this information with another. A.- How do you market yourself to other business leaders? B.- What are your hands-on tools to market yourself to other business leaders? C.- How to make compelling business-like business cards and present them? D.- How to thrive and prosper with your own presentation to other business leaders?
