

The New Crystal Codes: Align Your Crystals to The New Energies (Energy Healing Secrets Series) (Volume 4)

With the adjustments in the earth's electromagnetic frequency, and the advent of the New Era energies supporting the accompanying shifts and changes in consciousness, Crystals also need to be attuned and aligned afresh in order to take full advantage of these new incoming energies, as well as to enhance their ability to process them. The author has worked with crystals for over thirty years and has discovered that crystal energies have also shifted and changed, just as many of us on this Planet have undergone our own shifts and personal evolution, especially in the last twenty years or so. She shares her knowledge on how to re-align your crystal with the new Era energies and outlines the new Crystal Cipher Codes. You will not find this knowledge anywhere else. The new Cipher Codes held within Crystals are now ready to reveal themselves to those who learn about them and are willing to work with them.
