

Business Plan Bible: How To Write A Business Plan - The Secrets To Writing Business Plans That Work

Learn How To Write An Effective Business Plan Without Hassle Or Wasted Time Every business needs a compelling and effective business plan to share their vision with the world and to attract those vital potential investors. It expresses your business philosophy, helps guide your decisions and offers one of the best opportunities for growth and success. But business plans can be tiresome, dull and long winded documents to write, especially if youd much rather be focussing on the core of your business. Your mind becomes blank when faced with the prospect of getting started and you know neither where to start nor what information is essential. And even worse, youre scared of failure and coming across as amateur. This Business Plan Bible will be the answer to your prayers. Within its pages are the secrets for writing the kinds of business plans that you dream of- the ones that impress your colleagues, customers and investors alike. Its different from the regular kinds of business plan guides you find on the market- it has been written using simple language and using a simple process to get you on the track to completing the exact business plan for your needs quickly and easily. By answering a series of carefully designed questions, you will have everything you need for prosperity and success. Some of the secrets you can learn in this book: What Is A Business Plan?Why Do You Need A Business Plan?Why Many Business Plans Dont WorkWhich Plan Is Right For You?Insider Tips For Writing Your Business PlanHow To Write A Short Business Plan That WorksMission Statements And Goal Setting For The Small BusinessWhat To Include In A Detailed Business Plan WorksheetSecrets Of Writing Your Executive SummaryAnalyzing Your Markets and CompetitorsTackling The Finances Section Of A Business And much more Press Buy
