

Art Geeks and Prom Queens

Dorks, Dweebs, Debutantes, and Jocks-Where would you fit in? Being the new girl is tough-just ask 16-year-old Rio Jones. A New York transplant, Rio has no clue how shes going to fit in at her fancy new private school in Southern California. Plus, being late, overdressed, and named after a Duran Duran song doesnt make the first day any easier for her. Then Rio meets Kristi. Beautiful, rich, and a cheerleader, Kristi is the queen bee of Newport Beach. And Kristi isnt friends with just anyone, so Rio is thrilled when shes invited to be part of the most exclusive, popular clique. Of course, like any club, Kristi and her friends have rules: Always smile (even if you dont mean it), always dress cute (and never repeat outfits), and always flirt (but only with jocks, preps, and rich college guys). At first, Rio is having a great time, but as she becomes more immersed in this jet-set crowd, she figures out there is one last rule that her new friends forgot to mention: Dont cross Kristi.
