

## Cake Pops: 28 great designs from the Popcake Kitchen

In the mood for something cute and sweet? Well, forget about grabbing a cupcake - cake pops are here to stay! There's nothing quite like cake on a stick - these mouthwatering morsels combine all the playfulness of a bite-sized snack with the high-impact flavour that comes when you roll together your favourite cakes and frostings. Add a stick to your cake truffles, coat in chocolate and then let your imagination run wild as you decorate the world's most adorable treats. Cake pops are irresistible and surprisingly easy to make, especially when you follow the step-by-step baking and decorating instructions included in this colourful book.

Cake Pops will show you how fun it is to make an army of flower, balloon, duck and penguin pops as well as designs for every occasion with Christmas stockings, Halloween pumpkins and wedding cakes added into the mix. This is the perfect book if you want to have the party of a lifetime or just a snack on the way to the park.
