

## Melvan the Monster Afraid of Halloween

Melvan the Monster Afraid of Halloween is the first in a series of childrens books about a little boy monster talking out his fears with his parents. In Melvan The Monster Afraid of Halloween, Melvan is terrified of Halloween and all he envisions to go with it (including Bats, skeletons and ghosts shouting Boo!). Mommy Monster talks with Melvan after he simply refuses to go trick-or-treating. She encourages her little monster to put on his cowboy costume and give Halloween a try. Melvan soon found he was having a blast! He knocked on every door from first to last. With the help of Mommy Monster, Melvan overcomes his fear of Halloween and has lots of candy to prove it!
