

Project Sweet Life

This summer was going to be the sweet life and now its not. Dave and his two best friends are looking forward to a sweet summer of freedom, but their fathers have another idea. Instead of spending the summer swimming, biking, and kicking back, the three fifteen-year-olds are supposed to get jobs. Dave, Victor, and Curtis have a plan, though: They're going to tell their fathers they have jobs but not actually get them. The trouble is, their dads are going to want to see that they're actually bringing in money. And that means finding a way to get rich quick...without breaking the law, and without doing any work. But as the summer passes and the three friends try everything from attempting to catch bank robbers, to scientifically calculating the correct number of jelly beans in a contest jar, to diving for sunken treasure, they soon discover that things may not be quite as simple as they thought!
