

Talk 2 French (French Edition)

Talk French 2 is the ideal way to improve your French - whether you're returning to the language and don't want to start from scratch or you've completed an introductory course such as Talk French. With clearly structured units packed with interesting and effective activities, it will quickly develop your French, and the tips and learning strategies will help you get the most out of your studies. You'll learn to engage in increasingly sophisticated conversations as well as improve your vocabulary and grasp of grammar. This pack contains a 160-page course book and two 75-minute audio CDs. The book is also available separately (9781406612875).
