

## We Had a Picnic This Sunday Past

Teekas family had a picnic this Sunday past. Everyone was there, from mean old cousin Terrance who put fake flies on the sweet corn, to Bible-toting Reverend Luke to Auntie Kim (Teekas all-time favorite). And they were all dreading the arrival of Cousin Martha and her pie, which was always a bit on the dry side (but you had to eat every bit so you didnt hurt her feelings). But this year, where was Cousin Martha? And where was that dried-out apple pie? Jacqueline Woodsons warm, lyrical prose and Diane Greenesids exuberant artwork bring to life the humor, love, and of course, the wonderful food of the quintessential family picnic.
