

Christmas Playset: With Wind-Up Train, Pop-Up Scene, Sound Ship, Light, Punch-Out Character and Track with Book and Other

On Christmas Eve, a train chugs along the tracks through a snow-covered 3-D village. A real light twinkles on the Christmas tree. And touching the present beneath the tree sets off a round of Jingle Bells. Light, music, pop-ups and a wind-up train bring the story of the Christmas Express to life in this clever and colorful presentation. Folds into a flat hardbound book that travels anywhere.
