

## The Christmas Ship

When Father Christmas pays a visit to Sams toy shop on Christmas Eve, Sams busiest time of the year gets even busier. Father Christmas is running behind schedule and needs Sam to help him deliver toys. But Sam has problems of his own. How can he make the deliveries when he has no sled of reindeer, and when his little shop is about to be closed? With a little Christmas magic, Sam and his young friend Joey embark on a wonderful journey that lets them share in the true aspect of the season.
