

Rocking Horse Christmas

One Christmas Morning, when a boy finds a rocking horse under the tree, he climbs on its back and they ride away on the worlds most wonderous adventures. But then the boy grows up and the toy is increasingly forgotten-til one-day the horse is re-claimed by the grown-up boys son. As the School Library Journal notes The theme of toys outgrown and put aside but not forgotten is so well done here that it will strike a chord with many children.
