

Club Dread (Hunted: Book Two)

Club Dread continues the story of Chastity, who has been on the run with her mother ever since she can remember. They have just settled in San Francisco, where Chass is starting her own band. But then Chass witnesses the murder of pop star Josh Emmit and gets involved in the dangerous underground club scene. If Chass can solve the murder, then she and her mom can stay in San Francisco. But if her cover is blown, the man who has been hunting them will find them again. And this time, they may not be lucky enough to survive.
