

A Complete Guide to Carp Fishing for Beginners

This full colour illustrated guide to carp fishing contains everything the beginner needs to know, from buying the right tackle and choosing the best type of carp water for a beginner, to the tackle, baits and techniques that will make you a successful carp angler. Fully illustrated chapters explain tackle and bait, with diagrams and instructions for making carp rigs, advice on casting and how to play, land and safely release carp. Tactics for catching stillwater and river carp are covered, together with tips for stalking, night fishing, long stay sessions and winter carp fishing. Like any sport carp fishing takes time and practice to learn, but if you pick the right fishery and approach it correctly using the information in this book, there is every possibility that you could catch a carp on your first trip! If you are a complete beginner and have never fished before, or you are an experienced coarse angler who wants to take up carp fishing, this book will tell you everything you need to know.
