

Collins Gem – Collins Gem English Thesaurus

This new edition of Collins Gem English Thesaurus is part of the Collins Gem range of the world's best-selling mini dictionaries and thesauruses. This new edition is fully up-to-date, with the newest words to enter the English language, with thousands of synonyms and antonyms. With thousands of alternative words, subject lists and a useful supplement, this color edition of the Collins Gem English Thesaurus is ideal for everyday use in home, school, and office. The handy little thesaurus gives you practical, applied knowledge in your pocket. It contains a wide selection of alternative words and opposites, with the most useful words highlighted for ease of reference. The clear color layout also makes the content easily accessible. Includes a brand new supplement which tackles questions of style and etiquette thrown up by both traditional and modern forms of communication. From letters to social media updates, it offers guidance and examples.
